## Office of Parks & Recreation

Deerfield Parks and Recreation After School Clubhouse Update 9/26/2018:

Dear Deerfield Families,

Many of you are wondering about the status of the After School Clubhouse as it pertains to accommodating children who have been placed on our wait list for the program. We are aware of the demand for after school care in Deerfield and are working diligently to restore a full staff that will enable us to help as many families as we can on the wait list. We are pleased to announce that we have made job offers to three individuals that we are confident will make outstanding members of the DPR staff. While this is a big step forward in the process, it does not resolve the issue entirely.

We ask families who are on the wait list to remain patient as we continue to seek the appropriate staffing needed in order to maintain DPR's After School Clubhouse standard of a safe, secure, and fun place for kids to come after school. In the meantime, we encourage everyone to direct potential candidates to the Deerfield Parks and Recreation office or town website to fill out a town employment application. If there are any questions, I strongly recommend contacting us directly at Deerfield Parks and Recreation. The Deerfield School Board is aware of the status of the program, but I ask that you contact the Deerfield Parks and Recreation office, not the School Board with any questions related to the After School Clubhouse. Thank you in advance!

Sincerely,

Nick Lawrence  
Director of Parks & Recreation
