

Eversource Maintenance Work

Eversource will be performing maintenance work on transmission lines on the following roads in Deerfield: Raymond Road, Brown Road, Reservation Road, Tandy Road, Mountain Road, Nottingham Road, Cate Road, Perry Road, and Coffeetown Road.

The work activity will consist of repairing and replacing structure hardware, including the installation of grounding wire on existing wood structures. Please note that this work will not interrupt electric service to homes or businesses and most of the work will be done by helicopter -- tail number N8626F.

Work will begin in May and is expected to be complete by summer 2018. The work will take place Monday through Friday, and Saturdays as necessary. Please keep in mind that the schedule may change due to weather and other unexpected circumstances. All property owners are being notified in advance of work beginning.

If you have questions about this project, please call 888-926-5334 or email NHProjectsInfo@eversource.com.
