

Supervisors of the Checklist Meeting 01/16/2015

Gloria Riel went to office at 4:15 as she needed to call Sheila at HAVA ELECTIONET to have her go through the steps needed to update the new laptop.

Tom Dillon had come in earlier to check signatures on petitions that were already there and left before Gloria and Harriet were there.

Harriet Cady came in and she and Gloria finished checking petitions. We then updated the checklist and did any work required of their positions.

We then agreed to recess until 01/20/2015 from 6:30-7:30 as required by state law.
