One more item. Wednesday nights are work nights for our majors softball coach Amy Gagnon, so she was hoping not to have any games on Wednesdays. Because I'm her only assistant coach, I scheduled all of my babe ruth games on Wednesday. As a result, we will likely have to re-schedule any majors softball games that are scheduled on a Wednesday. Sorry to be a pain...

*** THANK YOU *** for generating the game schedules - I know it's a lot of work. I'm also sorry this is so late - I've simply been buried at work & home & NYA. Below are the items to be aware of when scheduling games in Nottingham.								
1) Nottingham will generate our own TBall schedule w/ all games on Friday nights. <b>Please do not schedule any games in Nottingham on Friday nights.</b>								
2) <b>Please schedule all softball games at the Nottingham School field.</b> It has a flat dirt infield w/ pitching rubber at babe ruth softball dimensions.								
3) <b>Please prioritize use of the community center fields for the majors &amp; minors little league teams first,</b> and then fill in w/ farm level games. (There is no pitching mound at the school field, but that's ok for farm level games). Also, Field A is preferred for majors level games.								
4) <b>Please do not schedule any games for Nottingham Community Center Field B on the following dates/times below :</b>								
<b>DAVID WEST</b> - Prep team game dates are in bold - I took them off the TheArbiter.net umpire website. Please review & correct any mistakes asap!
