**Call to Order**

5:30 – Chairman McGarry called the continuation of the public hearing for the renaming of Swamp Road to Pease Brook Road.

**Present:** Fred McGarry, Chairman, Richard Pitman, Vice Chairman, Alden Dill, Cynthia McHugh and Will Huebner, Selectmen.

Chairman McGarry: The hearing that we had last week didn't have anybody present that was in favor of the renaming. Is there anyone here tonight who, uh, is interested in the renaming of Swamp Road to Pease Brook Road or for, in fact, some other name for that matter? All right, uh, I know...

Selectman Dill: We got somebody coming down the hill.

Chairman McGarry: All right, uh, I'll close the public hearing on, uh, on Swamp Road renaming and so... do we need to... John do we need to go into a regular session to be able to take action with regard... what do we do?

Vice Chairman Pitman: (Inaudible, very soft spoken)

Chairman McGarry: Yeah, all right.
