

Community Power Aggregation Committee Interest Form

On December 13, 2021, Deerfield's Select Board voted unanimously to establish an official "Community Power Aggregation Committee." The purpose of this effort is to consider new municipal power aggregation opportunities provided for New Hampshire communities by recently passed state legislation. This committee will consist of no more than 7 members, and will be meeting with vetted subject matter experts to discuss possibilities.

If you would like to be considered for this committee, please fill out the information below BY DECEMBER 21ST and click submit. NOTE: depending on the responses received, it is not guaranteed that you will be asked to serve on the committee.
