The meeting was called to order by Chair Debra Murphy, at 7:00 pm at the Library.

Review of Minutes:

The January 15th, 2019 Minutes will be reviewed at the next previously scheduled meeting.

Review of Financials:

The current financials will be presented at the next previously scheduled meeting

Heritage Foundation Balance -
Town Hall Accessibility Fund Balance -
Budget Balance-

Unfinished Business:

There was no unfinished business. This was a special noticed meeting to discuss the status and purpose of the Historic District in relation to the Heritage Commission.

New Business:

It was moved, seconded and unanimously approved to appoint Erroll Rhodes as a Heritage Commission Member and Richard Boisvert as an Alternate Member, and to request the Board of Selectmen to issue the appropriate Appointment forms.

Other Business: There was general discussion of recent concerns as to whether or not the Historic District had ever been voted on by the Town, but no documentation could verify this to be the case. Deb and Dick Boisvert provided considerable information concerning the Historic District, including that it was listed on both the National and New Hampshire Registers. Copies of these documents will be available at the Town Offices and the Library. It was generally agreed by all present that the Heritage Commission should compile informational material to present to the residents in and around our Historic District, with emphasis on all the support available through the NH Division of Historic Resources.

The next Meeting Date is scheduled for Tuesday, May 21, 2019

There being no further business, the meeting **Adjourned at 8:15 pm**
