In Attendance: Fred McGarry, Gary Sanborn, Don Wyman

Not attendance: Bill Perron

Approximately 20 residents in attendance.

Environmental representative, Andrew Ackerman

Unfortunately, no recording is available for this meeting so the minutes will be summarized.

Chairman Pete Schibbelhute started the meeting explaining what the meeting was for.

Andrew Ackerman explained that he had met with the Conservation Commission, and they had concerns to address with regards to best management practices and vernal pool mapping.

Many of the attendees from the public expressed concerns about the height of the poles and how long the project would take.

Don Wyman explained why the poles needed to be replaced.\ The lamination of the poles was the reason the poles were failing.

Follow up meeting for this subject will be held May 24, 2023
