Re: Diesel Fuel bid

To Whom It May Concern:

Thank you for the opportunity to bid on your fuel needs.

Based on approximately 8,000 gallons of On-Road Diesel fuel, Rymes Heating Oils, Inc. would like to offer you \$.28 over Sprague Energy, Newington, NH Premium Diesel cost on day of delivery. An example of this price today is \$1.4114 per gallon. This example is based on the tax exemption form the Town provided to Rymes in past years.

This pricing would be available immediately upon acceptance of the bid. No further discounts are offered with this form of pricing. Fuel will be billed as it is delivered and payment is expected within 30 days.

Thank you again for this opportunity and we look forward to supplying you for the upcoming year.

Sincerely,

Chuck Cosseboom
Operations Manager
