Attn: Board of Selectmen

PO Box 159, 8 Raymond Rd

Deerfield, NH 03037

Dear Board of Selectmen:

Thank you for this opportunity to quote on your fuel needs for the 2022-2023 heating season. Rymes Propane & Oil is offering the price of 2.159 per gallon for 11,750 gallons for the 2022-2023 heating season based on today's market price for Propane. This pricing will be effective from June 1, 2022 and expires on May 30, 2023.

Commitment must be made prior to 1pm on April 26, 2022, or the final price will be based on the market cost of the next business day (prices do not include the Hazard Impact Fee).

Please complete the attached agreement. You are obligated to pay for the contracted gallons at the contract rate. Customer agrees that Rymes Propane & Oil will be the sole supplier of heating fuels at this location. Customer further agrees to accept delivery of all contracted gallons quoted on in this offer by May 30, 2023.
