Supervisors met on January 12, 2018 Present were Gloria Riel, attach postage Allard and Harriet Cady. They worked on finishing the mailing of thirty day letters, updating the files removing those who from the first batch of thirty day letters were returned as no longer at the address or did not reply. They then took sales from the newspaper and then sent those who sold property in Deerfield 30 day letters. The Supervisors removed more registered voters from files that had moved and registered in other towns. 12 additional letters were mailed according to sales of property in Union Leader property transfers which indicates no longer living in Deerfield. Printed checklists for posting
