Supervisors of the Checklist

On Friday, February 3, 2017, Harriet Cady, Gloria Riel and Diana Allard met at the Supervisors of the Checklist office.

One voter was removed because we were notified by the Supervisors of the Checklist in Manchester, NH that a Deerfield resident had moved and registered to vote in Manchester. A voter was merged who was registered in Bedford under another voter ID number. Three new voters were added to our checklist.

Our files were packed into bins and put onto Gloria 's car to go to the town deliberative session on Saturday, February 4, 2017.
