The Moderator asked for a ruling from Town Counsel, David Connell, as to the legality of this Article. Town Counsel stated that it was not legal as written. That the road had been discontinued in 1926 and had reverted back to private property, therefore, it would have to be offered by all owners. The Moderator asked for a ruling from Town Counsel, David Connell, as to the legality of this Article. Attorney Connell, stated that there were two defects. The second defect was to change a Class 6 road to a Class 5 would be by Petition to the Board of Selectmen.

At this time the Moderator recognized David Twombly who asked to go back to the Public Safety section. The Moderator ruled that they could go back to that section. David Jodoin moved to amend under the Fire Department, the amount, from \$23,200 to \$28,500. Seconded by Harriet Cady. Mr. Jodoin explained that the money would be for additional equipment such as breathing apparatus. There was general discussion on the need for this increase. Sigrid Marble made a motion to move the question. Seconded by Cameron Harbison. The Moderator called for a vote to close debate and move the question. It was a voice vote in the affirmative and so declared. The Moderator called for the vote on Public Safety/Fire Department Amendment. It was a voice vote in the negative and so declared. The motion does not carry the Fire Department amount stays the same (\$23,200).

## ARTICLE 25

Richard Granger moved to amend Article 28 to add "Those currently in office shall be exempted for a period of one year." Seconded by Joe Carter. Granger noted that this was to make the Article legal. The Moderator deferred to Town Counsel as to the legality of this Article. Attorney David Connell stated that this was a legal Article. Richard Granger, Petitioner, moved Article 29 as read. Seconded by Mary Mahoney. Granger explained that this article would provide for a system of checks and balances. Robert Sanborn, Chairman of the Board of Selectmen, stated that the Department of Revenue Administration does this and at no expense to the Town. Harriet Cady stated that the DRA does not come unless the Board of Selectmen request them. This Article was to direct the Selectmen to write a letter to request them to oversee the revaluation. Discussion continued. Harriet Cady made a motion to move the question. Seconded by Ralph Sullivan. The Moderator called for the vote to close debate and move the question. It was a voice vote in the affirmative and so declared. The Moderator then called for the vote on Article 29 as read. The voice vote being unclear, the Moderator called for the cards to be raised. The Moderator declared that it was clearly in the negative. Reginald Boucher requested that the Moderator call for the vote again as he felt it was still unclear. The Moderator called for the vote on Article 29 as read again. He asked for the cards to be raised. He declared that it was a clear majority in the negative and it was so declared. The motion does not carry.

## ARTICLE 30

The Moderator deferred to Town Counsel as to the legality of this article. Attorney David Connell stated that it speaks to large towns such as Derry or Hooksett. We are still under the Budget Act. To make it legal, we would have to appoint a Charter Commission and convert to the ways of the city. Based on Town Counsels opinion, the Moderator ruled Article 30 Out of Order.

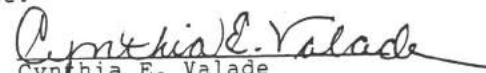

## ARTICLE 31

Winfred Hutchinson, Jr., Selectman, moved Article 31 be adopted as read. Seconded by Robert Berger. Winfred Hutchinson, Jr. moved to amend Article 31 to read "Town" not "district" in the first sentence and to add after accept, "but not expend". Seconded by Debra Black. ## SPECIAL TOWN MEETING

October 27, 1990

ATTEST:

Jeanette L. Foisy  
Deputy Town Clerk

The Meeting was called to order at 10:00AM.

Present on the Platform were: Winfred Hutchinson, Jr., Member of the Board of Selectmen; James T. Alexander, Member of the Board of Selectmen; Robert B. Sanborn, Chairman, Board of Selectmen; Attorney David Connell, Town Counsel; James A. McIntyre, Moderator; Cynthia E. Heon, Town Clerk/Tax Collector; Jeanette Foisy, Deputy Town Clerk/Tax Collector. Also present was the Assistant Moderator, George Owen, as well as the Supervisors of the Checklist Willis Rollins, Jr., George Putnam, and Warren Billings, Jr.

The Moderator stated that the Meeting would be governed by Roberts Rules as modified by the Moderator. He indicated that there would be a five minute limit on each speaker but that the speaker could return to the microphone. All speakers should proceed to a microphone. Questions and remarks will be handled through the Moderator. The rules of decorum will be observed.

The Moderator then reviewed the rules of the bond issue stating that it would require a secret ballot. He also indicated to the meeting that in order for it to pass it would require a two-thirds majority vote.

The Moderator noted that in addition to the Bond Issue other items included in this meeting would be the reading of the Report of the Town Hall Committee and a Sense of the Meeting was to be achieved concerning the use of the George B. White School Property-- requested by the Board of Selectmen.

The Moderator then read Article 1.

1. To see if the Town will vote to raise and appropriate the sum of \$925,000.00 for the settlement of certain tax abatement cases involving Public Service Company of New Hampshire for tax years 1981, 1982, 1983, 1986, 1987, 1988, and 1989; and to authorize the issuance of not more than \$925,000.00 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33) and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon and determine the maturity and other terms thereof and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds and notes as shall be in the best interest of the Town of Deerfield (Two-Thirds ballot vote required)

James Alexander, Member of the Board of Selectmen, placed a motion on the floor to adopt Article 1 as read. Seconded by Winfred Hutchinson, Jr., Member of the Board of Selectmen.

The Moderator stated that, at this time, the chair would recognize Attorney Richard Upton of the Law Firm of Upton, Sanders & Smith who represent the Town of Deerfield in the Case of PSNH vs. Town of Deerfield. As Attorney Upton approached the Platform, the Moderator stated that he would read a letter addressed to the Board of Selectmen dated October 18, 1990.

Attorney Upton began his address to the Meeting by saying that he was not here to alarm anyone nor overstate or understate the situation. At a public hearing, he was asked what would happen if we refused to appropriate the money. He then covered the laws governing that situation.

The following was brought to the attention of the Meeting:

1. After a judgment is obtained, a writ of execution would be issued to the County Sheriff directing him to seize and sell the Town's property.
2. The Selectmen could be directed to collect the amount by taxation.
3. The Selectmen would be obligated to issue a one time tax and issue a warrant to the Tax Collector. Non-payment of the tax would be the same as any other unpaid tax. Attorney Upton estimated the cost of the one-time tax to be about \$10.50 per thousand.
4. The tax would be due in 30 days. If not collected within 60 days, it would be levied against the goods and estates of the Selectmen in office at the time and if that was not found then it would be levied against the inhabitants and then to the non-residents.

After discussions with PSNH representatives, be assured that the company will not walk away from the collection of the sum due. The amount would only increase. With regard to the liability falling back on the Selectmen in office at the time, there is a 3 year statute of limitations in New Hampshire.

The Moderator thanked Attorney Upton for his presentation and then recognized James Alexander, Member of the Board of the Board of Selectmen.

James Alexander stated that he felt that Attorney Upton had said anything he could say. He also urged the passage of this Article.

At this time, the Moderator recognized Joseph Stone, Chairman of the Municipal Budget Committee. Mr. Stone told the Meeting that the Municipal Budget Committee voted, as is customary, on this expenditure and the vote was unanimous to approve the \$925,000.00.

#### DISCUSSION BEGAN

Robert Ashforth asked if the Board of Selectmen were to determine the rate and term of the bond and if it would be proper to discuss the options at the meeting. The Selectmen deferred to Attorney Connell. Attorney Connell stated that it was the opinion of the Bond Counsel and DRA that those items could be discussed and amended. It was also the opinion of the bond counsel and the bond bank that it was not a good idea to tie the hands of the Selectmen. The bond market could change. Mr. Ashforth then asked if anyone had any figures on the cost of the different bonds. Winfred Hutchinson, Jr., member of the Board of Selectmen then read all of the figures for the 5, 10 and 15 year bonds. B. Kerry Woods asked for a further break out of interest for each bond. Mr. Hutchinson read what the interest would be. There

were suggestions from the floor that it be paid in one year. Father Gerald Joyal asked of Attorney Upton if there was some way the system could bill for only the years that a person has lived in the Town of Deerfield as he has only lived here for two years and found this unfair. Attorney Upton stated that there was nothing in the system that would allow this. Jolene Smith indicated that if we did that we would also have to tax those who moved away. She felt that the real concern was the cost of this plus the school and the town. Robert Ashforth asked that at some point a Sense of the Meeting be taken as to the term. Paula McCoy directed a question to Attorney Upton as to whether or not we had any liability insurance that would cover this. Attorney

Upton responded by saying that it would still fall under the three year statute of limitations. Mrs. McCoy then asked what about the last three years. Attorney Upton indicated that the values had been changed by then and it was considered a different issue. Mrs. McCoy asked the Board of Selectmen to at least look into what could be recouped, if anything, from insurance companies. Stacy Lambert asked which bond the Selectmen were leaning towards and whether or not a resident could pay their portion in one year. Mr. Alexander stated that the Board was leaning to the 10 Year Bond and that one could not pay their portion ahead. The question was posed again about only paying for the time you have lived in Deerfield. Attorney Upton again responded. Victor Motz wanted to know why a portion of the bond could not be paid ahead. Attorney Connell explained that as a group we could agree to pay some by bond and some by taxation. Richard Granger questioned whether this included the adjustment for current use and all of the Public Service lands. Winfred Hutchinson, Jr. answered by saying this is as close as they can come. There are still some small pieces of land to be done for PSNH but the major ones were done. He also said that there was no report available at the Meeting with the Current Use figures. John Mason asked of Attorney Upton if all avenues of appeal had been exhausted and if he felt it was a lost cause. Attorney Upton stated that this case was not capable of appeal and that, in his judgment, the best thing to do would be to practice damage control. Joseph Heald questioned whether the rate was fixed or adjustable and was PSNH willing to negotiate. It was answered that the rate was fixed. Attorney Upton indicated that PSNH would not accept payments for 10 years or 5 years. He had tried that before. Harriet Cady then addressed her concerns first to the Board of Selectmen. She asked if the figures might not be unstable since they were figured on 1988 evaluations. Mr. Alexander stated that the figures we have are based on the current tax base. If these change, the tax rate would change by the same percentage. Mrs. Cady then asked Attorney Upton to explain the discrepancy in an appraisal of PSNH of \$14 million and a letter written to the Board of Selectmen from DRA indicating \$6 million. Her concern being that the difference between these two would create an abatement again this year. Attorney Upton said that he had not seen the \$14 million appraisal obtained from David MacArthur but Mr. MacArthur was an experienced appraiser that used the Londonderry Formular. DRA computes theirs by a method which he opposes because the value is too close to the original investment value and no where near the current value. The only place that worked was at Seabrook where all the construction was new. They appeal year after year. Because the Londonderry Formular was used they would probably not appeal but he could not guarantee that. Donald Gorman raised the question that because there were several towns involved was there the possibility of a class action suit if these towns got together.

Attorney Upton answered this by saying that he had done this in 1978 and lost. The motion to rehear was also denied. There would have to be a legislative change.

Jonathan Winslow made a motion to move the question.  
Seconded by Nancy Ladd.

Point of Order by Richard Granger. He asked the Moderator to take the Sense of the Meeting requested previously as to the 5, 10, or 15 year bond. The Moderator said that it was only a Sense of the Meeting and could be taken before or after the vote.

Harriet Cady asked for a Point of Clarification. If the bond was voted down didn't we immediately become liable for \$375,000 plus interest? James Alexander, Member of the Board of Selectmen, said we would be required to immediately pay to PSNH \$375,000 approximately plus accrued interest.

Point of Clarification. Joseph Stone, Municipal Budget Committee Member reminded the Meeting that interest would be all over.

The Moderator called for the vote to close debate and move the question. It was a voice vote in the affirmative and so declared.

The Moderator indicated that the chair would now call for the Sense of the Meeting as to whether the meeting would direct the Selectmen to purchase a 5, 10 or 15 year bond. It was a hand vote and the results were as follows:

Five Year	96
Ten Year	62
15 Year	2

The Moderator declared this the Sense of the Meeting and that it was not binding but a recommendation for the Board of Selectmen.

At 11:15AM the Moderator declared the Polls open. He stated that they would remain open for one hour.

The Moderator called the Meeting to Order at 11:40AM.

The Moderator stated that the polls must stay open until 12:15PM in the meantime, however, there was other business to come before the Meeting.

The Moderator asked Joanne Wasson to step forward and give a report of the Town Hall Committee regarding the work done in the Town Hall. Mrs. Wasson began by saying that the Committee was appointed by the Board of Selectmen and consisted of Joanne Wasson, Nettie Farr (Co-chairs), James McIntyre, Richard Mailhot, Richard Boisvert and George Clark. What she presented was the minutes to their October 12th Meeting. It was meant as an indicator of the direction in which they think the Town should go. The results of the survey they had done are as follows:

1. Do you think the Town Hall reflects the wishes of the voters at the last March Town Meeting?  
Yes 13  
No 114

2. Do you think the subject of Town Office space should be brought up at the Special Town Meeting to be held in October?

Yes 114

No 12

This report is a result of the survey. The recommendation that this Committee would make above all would be that the Town Hall would be kept in tact, under Town control, for use for Town purposes, meetings of moderate size and community functions such as the Pawtuckaway Arts Festival or the Historical Society. With regard to the removal of the partially constructed partitions, it is recommended that volunteer help be used to minimize the cost and that guidance be sought in doing this to avoid further damage. The Committee will be exploring what can be done to maximize public use while preserving its original features. Mrs. Wasson stated that she did have a few copies of the minutes available at the Meeting and wished to point out that the Fire Chief, George Clark, had been very helpful in determining any fire hazards. One item that is being looked at was to open up the third set of doors in the front of the Town Hall. It was his opinion that this would help with the safety rating of the building. The fact that this building is in the Historic Registry should in no way detract from its use as a Town building. We do want to emphasize that we feel that this is something that is bigger than the Board of Selectmen and bigger than our Committee and we think that a full body of people at Town Meeting should finally consider this. The Committee felt that it should limit its recommendation to the Town Hall itself and not become involved in the removal of the Town Offices to the George B. White School. Haste, without planning, had caused damage and financial loss already haste again might be equally inappropriate.

The Moderator recognized James Alexander, member of the Board of Selectmen, who stated that the Board of Selectmen would accept their report of progress and extend the Board's thanks to all the people on the Committee. There will be a Warrant Article to be brought before the March Town Meeting.

The Moderator then stated that the other item was at the request of the Selectmen to achieve a Sense of the Meeting concerning the use of the George B. White Building. The Moderator called on James Alexander.

Mr. Alexander said that it was unclear to the Board of Selectmen after last March's Town Meeting as to whether or not the taxpayers wanted the Town to enter contractual agreements with those who wish to rent space in the George B. White Building. What we are asking for is a Sense of this Meeting to allow the Town to enter into agreements with future occupants. We could generate income rather than have it sit there as a costly expense.

The Moderator opened this topic for discussion reminding the Meeting that it was not binding.

Ralph Sullivan and Robert Ashforth spoke to the positive aspects of rental. Mr. Ashforth asked if they were considering putting it on the market. Mr. Alexander said that it was a viable option they would look at. Mr. Sanborn indicated that the Town could not sell property without the vote of a Town Meeting.

At this point there was a brief power outage.

John Mason asked about the condition of the building and what types of tenants were they hoping to attract. Mr. Hutchinson said the major repairs had been done; the roof and broken pipes. There were only a couple of more things to make it inhabitable. Mr. Hutchinson also spoke to potential tenants we being either office, light manufacturing or small retail businesses. B. Kerry Woods urged the rental at a reasonable and fair rate. He also asked if the Police Department was, in fact, moving into the building. Mr. Hutchinson said the reasons for doing that were because the building where the Police Department currently is needs a tremendous amount of work and it would provide for building security. Nancy Ladd stated that, speaking as just one citizen, she would like to see all of the Town Offices in the George B. White School. She also commented that because the building was vacated by the School the money needed for repair should come out of the School Budget. There was a round applause. Brief discussion continued as to fair rental rates, entertaining a longer lease for better stability and to use the school for all town offices. Harriet Cady indicated that because it was recently appraised at \$ 291,000 it would be worth it to her, as a taxpayer, to keep the building and have the use of it for our Town Offices. Reports have been received that the Town Hall is in violation of fire codes and handicap access. Mrs. Cady mentioned that at a recent Budget Committee meeting they learned that one reason we are not getting more money into the Town is because the Town Clerk's Office is not handicap accessible, therefore, the State has said no to the issuing of plates. She urged the meeting to indicate to the Selectmen to use and lease the building. Ralph Sullivan moved to close debate and move the question. Seconded by Jonathan Winslow. The Moderator then called for the Sense of the Meeting to recommend to the Selectmen to rent out space at the George B. White School. It was a voice vote in the affirmative and so declared. The Sense of the Meeting was achieved.

Jolene Smith asked of the Board of Selectmen if this would leave the option open for the Town Offices to move there. Mr. Hutchinson answered for the Board that there would still be room for the Town Offices. James Alexander felt that this should not be discussed today as there would be a warrant article at the March Town Meeting. Harriet Cady mentioned that it might be appropriate to use the money spent on heat at the Town Hall at the George B. White.

The Moderator announced, at this point, that the Polls would close in three minutes.

James Alexander answered Mrs. Cady's question by stating that there would be no money to do the necessary renovations. The unfortunate money that was spent downstairs was specifically earmarked for that purpose. Ralph Sullivan asked if there could be a show of hands regarding the move of the Town Offices. The Moderator stated that that was not appropriate at this time. Chris Hatfield indicated, and it was confirmed by the Board of Selectmen, that we had voted not to move the Town Offices there at last March Town Meeting. She further stated that she was not opposed to the use of the building but did not want to see the Town Hall left empty.

The Moderator declared the polls closed at 12:15PM. The counting of ballots began immediately. Election Officials during the balloting

were Victoria Hall, Constable; Irene Shores, Nettie Farr, and Jennie Owen, Checklist; George Owen Assistant Moderator. The ballot counters were: Frank Sawyer, Nancy Ladd, Richard Granger, Gus Csuka, Warren Guinan, Ella Sawyer, and Jonathan Hutchinson.

Discussion went back and forth as to whether or not a Sense of the Meeting should be called for on the movement of the Town Offices. The Moderator stated that it was non-binding, however, the question is: The meeting wishes to urge the Selectmen to place an Article in the Warrant of the March Town Meeting to ascertain whether to move the Town Offices to the George B. White School. The Moderator called for the Sense of the Meeting. It was a voice vote in the affirmative and the Moderator declared the Sense of the Meeting is achieved.

At 12:20PM the Moderator reread Article 1. The Moderator then read the results of the Secret Ballot.

Total Ballots Cast	200

It was a vote in the affirmative and so declared. The motion carries (\$925,000.00 raised and appropriated).

2. To transact any other business that may legally come before this meeting.

There being no further business to come before the Meeting and on the motion of Robert B. Sanborn, Seconded by James T. Alexander, the Moderator called for the vote to adjourn. It was a voice vote in the affirmative and so declared. The Meeting is adjourned.

Annual Town Meeting  
Business Portion

March 16, 1991

10:00AM Moderator, James A. McIntyre, called the Meeting to Order.

The Moderator read the results of the Town and School Elections of March 12, 1991.

The Moderator then called for all Town Officials who had been elected on March 12, 1991, to come forward and take the Oath of Office. Robert B. Sanborn, Selectman for a three year term; Dwight Barnes, Stig Jorgensen and Joseph Stone, Municipal Budget Committee Members for a three year term; David L. Baker, Jr., Trustee of the Trust Funds for a three year term; David Twombly, Highway Agent for a one year term; Frederick McGarry and Donald F. Smith, Planning Board Members for a three year term; Louis Nephew, Water Commissioner for a three year term; Frances Menard, School Board Member for a two year term; Nancy Ladd and Jean Kutylowski, School Board Members for a three year term; came forward, took the Oath of Office in open meeting, and were sworn in by Moderator, James A. McIntyre. The Moderator then asked that they be given a round of applause. There was a round of applause.

The Moderator then introduced those on the Platform: Attorney David Connell, Town Counsel; Robert Sanborn, James Alexander, Selectmen; Winfred Hutchinson, Jr., Chairman of the Board of Selectmen; James A. McIntyre, Moderator; James P. D'Alessio, Parliamentarian; Cynthia E. Heon, Town Clerk/Tax Collector/Recorder; Shirley Winslow, Assistant Clerk/Tabulator; Jeanette Foisy, Deputy Town Clerk/Tax Collector and Mary L. Spindel, School District Clerk, present as an observer. George Owen, Assistant Moderator, was also present.

The Moderator stated that during the Budget Article, Article 14, Joseph Stone and Erick Berklund, Members of the Municipal Budget Committee, would join the Selectmen on the Platform. The Budget Article will be taken up Section by Section.

The Moderator stated that the Meeting would be governed by Roberts Rules of Order as modified by the Moderator. The Moderator will not recognize the motion to Reconsider. The Moderator explained his reasoning for this and stated that in an extraordinary case it would be allowed. One amendment to the main motion and one amendment to the amendment will be allowed as this is accepted procedure now. Fire Exits were pointed out. The Moderator stated that all voting citizens should have passed though the Checklist and received a Green Voting Card which they should sign. This will be used for all Hand Votes and Yes/No ballots. He also made it known that all those speaking must go to a microphone and state their name. On a final note, he stated that any ruling of the Moderator could be Challenged.

At this time, the Moderator asked that the Meeting rise for a Moment of Silence in honor of our service personnel who are

serving in the Gulf. The Moment of Silence was observed ending with the Moderator's comment, "God Bless America".

The Moderator then called for Roger and Mrs. King to come forward. The Moderator presented the following declaration saluting Representative Roger C. King of Deerfield. Mr. King was defined as a gentleman of gentle and refined manner. In 1973-1974 the voters of Deerfield, Northwood and Nottingham first expressed their confidence in Mr. King, ultimately, electing him to nine consecutive terms to the House of Representatives. Blessed with an abundance of energy and community spirit, Roger C. King also served the Town of Deerfield in numerous capacities; 21 years as President of the Deerfield Fair Association, 18 years as a Selectman, 16 years as a Trustee of Coe-Brown Academy and many years with the Deerfield Volunteer Fire Department. Upon honorable discharge from the Army in 1946, he founded the Hoague-Batchelder American Legion Post in Deerfield and did serve as its first Commander. Now, therefore, be it declared by the Speaker of the House of Representatives that Roger C. King be honored for his legislative service and service to the community of Deerfield and that he be praised for his dedication to his country as the founder of the Hoague-Batchelder American Legion Post. Signed: W. W. Scammon, Jr., Speaker of the House. There was a standing ovation.

John Pfeiffer asked to be recognized for a Point of Order. He stated that according to State Law the Annual Reports of the Town and School District should be available seven days prior to the Annual Meeting. The first part of the Meeting to be voting on Tuesday, March 12, 1991. Therefore, he questioned if the Meeting was a legal meeting because the reports were not available. The Moderator deferred to Town Counsel, David Connell, who stated that there was no reported case on this issue and there was a slight possibility that this technicality might result in something but it was not worth not meeting. The Moderator stated, that on the advice of Town Counsel, the meeting would proceed.

1. To see if the Town will vote to raise and appropriate the sum of \$40,000 for the purpose of repairing and reconstructing South Road. The State to reimburse \$30,000. Approved by the Municipal Budget Committee.

Chairman of the Board, Winfred Hutchinson, Jr., moved Article 1 be adopted as read. Seconded by Warren Guinan.

Mr. Hutchinson explained the article as the continuing work on South Road. Joe Stone, Chairman of the Municipal Budget Committee, stated that the MBC recommended this article. There being no discussion, the Moderator called for the vote. It was a voice vote in the affirmative and so declared. The Article carries in the amount of \$40,000.

2. To see if the Town will vote to raise and appropriate the sum of \$4,794.00 for the purpose of performing highway improvements determined to be necessary by the Planning Board as conditions of approval of the following subdivisions as follows: (appropriations to be offset completely by money received from developers)

Ralph Lyon; Griffin Road; \$2,564.00  
Ralph Lyon; Griffin Road; \$1,282.00

Charles Lloyd; Perkins Road; \$406.00

Bruce Herrmann; Harvey Road; \$542.00

Approved by the Municipal Budget Committee.

Chairman of the Board, Winfred Hutchinson, Jr., moved Article 2 be adopted as read. Seconded by Gary Roberge.

Mr. Hutchinson explained the use of the funds attached to this warrant article. Joe Stone, Chairman of the MBC, stated that the MBC recommended approval of this article. There being little discussion, the Moderator called for the vote. It was a voice vote in the affirmative and so declared. The Article carries in the amount of \$4,794.

3. To see if the Town will vote to raise and appropriate the sum of \$25,875.00 for the purpose of rebuilding the Nichols Brook Bridge and to authorize the Selectmen to withdraw the sum of \$25,875.00 from Bridge Capital Reserve Fund established at the Town Meeting in 1980. Approved by the Municipal Budget Committee.

Chairman of the Board, Winfred Hutchinson, Jr., moved Article 3 be adopted as read. Seconded by Louis Nephew.

Mr. Hutchinson explained that this Article has appeared in the Warrant the past several years. This year the associated road work has been deleted from the Article. Included is widening the span to State standards, installing guardrails and replacing the wing walls. The work would go out for bids. Joe Stone, Chairman of the MBC, stated that the MBC recommended approval.

Harriet Cady questioned whether this work had been approved by Division 6. Mr. Hutchinson responded by saying that it had been approved by Division 6 as well as DOT Engineers. The Moderator, seeing no further discussion, called for the vote on Article 3 as read. It was a voice vote in the affirmative and so declared. The Article carries in the amount of \$25,875.

At this time, the Moderator stated that he would recommend that the Meeting take up Article 4 and then immediately take up Article 11. The reason for this is that they are both tied to the same Capital Reserve Fund. There is a problem with the amount of money in the Capital Reserve Fund which the Selectmen will clarify.

4. To see if the Town will vote to raise and appropriate \$15,750.00 for the purchase of a new police cruiser, and to authorize the Selectmen to withdraw the sum of \$15,750.00 from the Police/Fire Equipment Capital Reserve Fund established at the Town Meeting in 1973. Approved by the Municipal Budget Committee.

Chairman of the Board, Winfred Hutchinson, Jr., moved Article 4 as read. Seconded by Gary Roberge.

Mr. Hutchinson explained that the Police Department would be retiring the LTD because it is becoming a burden to the Town in terms of maintenance.

Mr. Hutchinson clarified Articles 4 and 11. He stated that as of February 28, 1991, the balance was \$19,181 in the Capital Reserve Account. Mr. Hutchinson said that the Selectman support both Articles and balance of the money would be raised by taxes. Joe Stone, Chairman of the MBC, pointed out that originally the Fire Department asked for \$10,000 this year and next year they were to ask for an additional appropriation. The MBC thought it would be better to do it all in one year. The MBC recommends approval of both Articles 4 and 11.

Robert Ashforth asked for a Point of Order to see if Article 11 could be discussed before voting on Article 4. It was the opinion of the Moderator that they are tied to the same fund and he would allow it.

Robert Ashforth then asked the intent of the purchase in Article 11. Mr. Hutchinson deferred to Fire Chief, George Clark. Chief Clark stated that it was to equip the firemen with coats and pants. Equipment they presently have is between 12 and 18 years old and is not approved for use any more. We are leaving ourselves open to problems if we do not address the issue.

Questions were asked as to whether a lease option for the cruiser had been looked into and if there was a real need for three Police vehicles. Mr. Hutchinson answered that the lease option had been reviewed and that over time it would cost more. Mr. Hutchinson commented that when economic times are tough the level of activity for the Police Department and other departments, such as the Tax Department, has a reverse affect. Peter Aubrey questioned why the Police Department did not start their day earlier. Mr. Hutchinson deferred to Chief Robert D'Alessandro. Chief D'Alessandro indicated that the budget would have to be increased to increase the hours.

Harriet Cady was concerned that all the funds would be spent on the cruiser and then we could not buy the firemen their equipment. Mrs. Cady asked if the DRA would allow us to raise it by taxes. The Moderator deferred to Town Counsel, David Connell. Attorney Connell stated that not only was it okay to amend the Article to have the money raised by general taxation but, if it wasn't amended, the DRA would require us to raise it by general taxation if the capital reserve fund was empty.

Several citizens spoke in support of supplying these departments with what they need. The Moderator, seeing no further discussion, reread Article 4 and called for the vote. It was a voice vote in the affirmative and so declared. Article 4 carries in the amount of \$15,750.

The Moderator, at this time, went over several announcements that had been missed in the opening statements. They were: The Meeting was being taped; The Conservation Commission had a display on the wall for all to see; The Conservation Commission also had copies of their Annual Report to pass out; it was requested that all non-voters sit to the left; The Moderator announced that on March 12th, the vote was to increase the number of Members of the Board of Selectman to five and that all Zoning Amendments had passed. At this time, the Moderator asked the Meeting to rise for the Pledge of Allegiance to the Flag.

The Moderator stated that, at this time, the Meeting would suspend the rules and take up Article 11 out of order.

11. The Moderator asked the advice of Town Counsel as to whether this was a legal Article. Town Counsel, David Connell, stated that it was. The Moderator then indicated that it would only carry the Sense of the Meeting.

Mr. Daigle explained that it was time for this to be done. Norma Koski thought that it negates what the symbol of the flag stands for, that is, free speech, etc. Warren Guinan, retired officer of the United States Army, felt that we did not need any amendment to teach people to respect our Flag. George Keech stated that he could not believe what he was hearing. Mr. Keech went on to say the Flag is a symbol of what servicemen have fought for years and years and that it is time that we put our foot down and tell Congress what we feel and make them change the laws. There was a motion to move the question but the Moderator felt that it was too soon as there were a lot of people who wanted to voice their opinion on this. Robert Ashforth did not agree with the Article because it led him to believe that we were making laws for those who were doing the wrong acts and they did not need any more attention. He further stated, we need to focus the attention away from these people. Mr. Ashforth went on to say that he was for the sentiments expressed in the article but against the Article itself. A round of applause. Paula McCoy stated that it is a free Country and we are not saying we want this to happen but it is not the time to start giving up our rights. At this time, there was no further discussion. The Moderator called for the vote on Article 24 as read. The voice vote being unclear, the Moderator called for the cards to be raised. The results of the Hand Vote were YES 89 and NO 74. It was a vote in the affirmative and so declared. The Sense of the Meeting has been achieved. There was a round of applause.

25. To transact any other business that may legally come before this meeting.

On the motion of Chairman of the Board, Winfred Hutchinson, Jr., to adjourn the Meeting, and Seconded by Louis Nephew the Moderator declared the Meeting adjourned at 4:15PM.
