Deputy Town ClerkTOWN OF DEERFIELD
Town Meeting -- Business Portion
March 16, 1996

The Meeting was called to Order at 9:00AM by Moderator, Jonathan Hutchinson. He asked, that in recognition of the labor and sacrifice of those who created, defended and refined the privilege of a democratic government, the Meeting rise for the Pledge of Allegiance to the Flag.

Officials present, who were elected Tuesday, March 12th, were asked to come forward. James T. Alexander, Richard J. Mailhot, Sr., Selectmen; Town Treasurer/School District Treasurer, Cynthia E. Tomilson; Highway Agent, David Twombly; Municipal Budget Committee Member, Susan Stroud; Trustee of the Trust Funds Trustee, Jeffrey G. Harbour; School District Moderator, James D'Alessio; School Board Members, Rodney P. Swanson, Gary Lenehan and Jean Kutylowski, came forward, and took the Oath of Office in open meeting administered by Moderator, Jonathan Hutchinson.

Chairman of the Board, James Alexander, was recognized for the purpose of making a presentation. Mr. Alexander asked Selectman, Robert Sanborn, to step forward. Chairman Alexander told the Meeting Mr. Sanborn had served 50 Years as a Selectman and served over 50 years in public office. With thanks, on behalf of the Town, Mr. Alexander presented Mr. Sanborn with a plaque. There was a standing ovation.

Moderator, Jonathan Hutchinson, reviewed the rules and procedures governing this Meeting. All members should pass through the checklist receiving a voting card and sheet of ballots. Non-voters have a designated area and will be allowed to participate in debate. The Meeting will be governed by Roberts Rules, as modified by the Moderator, and in accordance with the Laws of the State of New Hampshire. Each article in the Warrant requires a motion and a second.

Those wishing to speak should approach a microphone. Speakers will be allowed three minutes. As adopted at last year's Meeting, a speaker may address the question or close debate, but may not do both in the same turn. Votes will be by raised hands with voting cards. If results are uncertain, a division of the house will be done. The raised cards would then be counted. Secret ballots can be requested by five members, in writing, before the Hand Vote. Recounts must be requested immediately after the vote. Any ruling of the Moderator is subject to appeal by the body. A member uncertain of how to proceed is encouraged to ask for assistance.

The Moderator directed the Meeting to the business of the day, The Warrant.

Article 1. To see if the Town will vote to raise and appropriate the sum of \$625,000 for the purpose of landfill closure and reconstruction of Brown Road; Six hundred twenty-five thousand (\$625,000.00) of such sum to be raised through the issuance of bonds or notes under and in compliance with Municipal Finance Act, 33:1 et seq., as amended; to authorize the Selectmen to apply for, obtain and accept federal, state or other aid, if any, which may be available for said project and to comply with all laws applicable to said project; to authorize the Selectmen to issue, negotiate, sell and deliver said bonds and notes and to determine the rate of interest thereon and the maturity and other terms thereof; and to authorize the Selectmen to take any other action or to pass any other vote relative thereto. 2/3 ballot vote required. The Selectmen and the Budget Committee recommend this article.

Chairman of the Board, James Alexander, moved Article 1 be adopted as written. Seconded by Selectman, Donald Smith.

Mr. Alexander told the Meeting the time to complete the Landfill closure was here. This bond will allow for complete closure and capping of the Landfill and reconstruction of Brown Road.

Because there was no discussion, the Moderator went immediately to the Secret Ballot Vote. The Moderator designated Ballot "A" as the Ballot to be used. He instructed voters to separate Ballot A, on the perforations, from the ballot sheet. He asked Assistant Moderator, George Owen, to show the Ballot Box was empty. The box was resealed. He explained a voter in favor of adoption should circle "yes" and a voter opposed should circle "no". Ballots were to be deposited in the sealed Ballot Box. The Polls were declared open at 9:20AM. Moderator Hutchinson noted the polls would not close any sooner than 10:20AM because of the bond requirement that they be open for One (1) Hour.

At this time, the Moderator stated he would swear in Martha Southmayd as Overseer of the Welfare. Because of the many years she has served the Town of Deerfield in this capacity and her special effort to attend today's Meeting, he asked the Meeting to give her special recognition. There was a standing ovation.

Article 2. To see if the Town will vote to raise and appropriate the sum of \$10,000 for the purpose of reconstructing municipal roads and bridges or portions thereof destroyed by floods; and to authorize the Selectmen to apply for, contract for and accept grants of federal or state aid or both as may be available and to do all things necessary to carry out the purposes of this appropriation. The Selectmen and the Budget Committee recommend this article.

Chairman of the Board, James Alexander, moved Article 2 be adopted as read. Seconded by Selectman, Robert Sanborn.

Mr. Alexander explained the need for this article should there be a catastrophe.

There was no discussion. The Moderator called for the vote on **ARTICLE 2.** It was a **HAND VOTE** in the **AFFIRMATIVE** and so declared. Article 2 is adopted in the amount of \$10,000.

Article 3. To see if the Town will vote to raise and appropriate the sum of \$1,200 to fund Traffic Safety/Prevention Patrols and to accept a grant from the New Hampshire Highway Safety Agency of \$1,200 in offsetting federal funds. This funding to cover operations in Phase I of the project which will run during April, May and June of 1996. The Selectmen and the Budget Committee recommend this article.

Chairman of the Board, James Alexander, moved Article 3 be adopted as read. Seconded by Selectman, Robert Sanborn.

Mr. Alexander asked to have Detective Steve Turner address this Article, as well as, Articles 4, 5 & 6. This request was being made because the articles carried no tax impact and were similar in nature.

Detective Turner noted Articles 3 and 4 were the same patrols requested in previous years. State funding ran out last year. The Bicycle Safety Program requested in Article 5 was cut last year. The grants are being applied for again this year. Article 6 is a new project. It provides educational material to be given out when registering a vehicle or available at the Police Department. It will make citizens and young drivers aware of the dangers of DWI.

Because there was no discussion, the Moderator went directly to the vote on **ARTICLE 3**. It was a **HAND VOTE** in the **AFFIRMATIVE** and so declared. Article 3 is adopted in the amount of \$1,200.

Article 4. Mr. Alexander deferred to Police Chief, Robert D'Alessandro. Chief D'Alessandro told the Meeting this vehicle would replace the 1990 cruiser.

The Chief was asked to tell the Meeting what the fleet consisted of now. He stated the cruisers they currently have are Ford Taurus' (1990, 1993 and 1995) plus a Chevy pick-up truck. Mr. Alexander clarified the change in brands, stating, the Ford LTD was the only vehicle equipped to meet police specifications. Concerns, about gas mileage and why the vehicles were not lasting longer, were expressed.

Chairman of the Board, James Alexander, moved Article 9 be adopted as printed. Seconded by Selectman, Robert Sanborn.

Mr. Alexander deferred to Selectman, Richard Mailhot, for the explanation. Mr. Mailhot stated three tanks needed to be removed, one at each building. Because they are buried, they must meet State and Federal guidelines.

Since the Town did not have a use for them and instead of going through an expensive inspection process, it was felt it would be in the Towns' best interest to remove them.

Seeing no further discussion, the Moderator called for the vote on ARTICLE 9. It was a HAND VOTE in the AFFIRMATIVE and so declared. Article 9 is adopted in the amount of \$6,000.

Moderator Hutchinson reminded the Meeting the Polls were still open on Article 1. He instructed those arriving late on the voting procedure.

Article 10. To see if the Town will vote to raise and appropriate the sum of \$31,854 for the purchase a new four wheel drive dump truck with plow, for the Highway Department and to authorize the Selectmen to withdraw the sum of \$21,098 plus all accumulated interest from Highway Equipment Capital Reserve Fund established at the Town Meeting in 1954, with the balance to be raised through taxation. The Selectmen and the Budget Committee recommend this article.

Chairman of the Board, James Alexander, moved Article 10 be adopted as printed. Seconded by Selectman, Robert Sanborn.

Chairman of the Board, James Alexander, moved Article 11 be adopted as printed. Seconded by Selectman, Robert Sanborn.

Mr. Alexander yielded to Ted McDonald, of the Parks and Recreation Commission.

Mr. McDonald asked the Moderator to speak for five minutes instead of three.

Objection Raised

Harriet Cady raised an objection to this. The Moderator called for a vote from the Meeting to see if the Meeting would suspend the rules and allow Mr. McDonald to speak for five minutes. It was a **HAND VOTE** in the **AFFIRMATIVE** and so declared. The **RULES** have been **SUSPENDED**. Mr. McDonald will be allowed five minutes.

Mr. McDonald described the use of these funds as follows: (1) Replace Infields at Bicentennial Field and correct poor drainage problems. (2) Replace fencing at tennis courts behind the G. B. White Building. (3) Perc Tests on potential sites.

Mr. McDonald deferred to Dwight Barnes, Facilities Committee, Parks and Recreation. Mr. Barnes said the Committee had determined a need for a new facility. They felt the best option was to locate land (20 to 30 Acres), Town owned, donated or purchased specifically for this purpose. The facility would house Little League, Babe Ruth, Softball and Soccer Fields. There would be other space for use by residents of all ages.

Mr. Barnes talked of the spirit of the volunteers in our community. Through volunteer efforts, financing from businesses, individuals, donations and grants, the property tax impact would be minimal. He noted the facility is perceived to be self-sufficient because of revenue from concessions, advertising, camps and clinics.

In conclusion, Mr. Barnes recognized the members of the Committee; Ron Chauvette, Jim D'Alessio, Phil Davidson, Bob Duhaime, Jeff Harbour, Ted McDonald, Joyce Pelletier, Gary Roberge, T. J. Shaugnessy and Joe Stone.

Discussion on repairs at the Bicentennial Field and the tennis courts centered around getting several estimates for the work to be done. There was lengthy discussion on the proposed new facility.

Questions were raised concerning duplication of efforts through the Master Plan or the Community Vision Committee. Fred McGarry, Planning Board Chairman, stated this was not related to, but was compatible with, the Master Plan.

Costs to the community now and in the future were reviewed.

Chairman Alexander said the Commission had come before the Board and explained the money would be expended only if land can be identified as a potential site.

Many citizens expressed the need to have more recreational opportunities available to senior citizens and residents whose interest did not include "scoreboard" sports. The Committee responded, while it was an investment in our youth, it would be expanded to include all others.

Margo Fligg made a motion to close debate and move the question. Seconded by George Keech. The Moderator called for the vote to **CLOSE DEBATE** and move the question. It was a **HAND VOTE** in the **AFFIRMATIVE** and so declared.

The Moderator called for the vote on **ARTICLE 11**. It was a **HAND VOTE** in the **AFFIRMATIVE** and so declared. Article 11 is adopted in the amount of \$6,900.

Article 12. To see if the Town will vote to raise and appropriate the sum of \$46,696 for the purpose of carpeting the Town Clerk/Tax Collectors and Selectmen's Offices, security counter in the Selectmen's Office, a water treatment and filtering system and installing waterproofing membrane on the lower section of G B White building, and to authorize the Selectmen to withdraw the sum of \$2,280.42 plus all accumulated interest from Town Office Improvement Capital Reserve Fund established at the Town Meeting in 1984, with the balance to be raised through taxation. The Selectmen and the Budget Committee recommend this article.

Chairman of the Board, James Alexander, moved Article 12 be adopted as printed. Second by Selectman, Robert Sanborn.

Mr. Alexander deferred to Selectman, Richard Mailhot, for the explanation. Mr. Mailhot reviewed the following improvements being made to the building: (1) Roof drains on front section of the building. (2) Commercial grade of carpet in Town Clerk/Tax Collector's Office and Selectmen's Office. (3) Security counter and waiting area to be built in the Selectmen's Office. (4) Keying system for the entire building to be redone. (5) Water treatment system to bring public water supply up to the standards of the Clean Water Act. (6) Roof to the rear of the building to be redone because of severe leaking problems.

The Board was asked if the building was self-sustaining from rental income received. Chairman Alexander stated funds from rentals cannot be used for repairs until the Meeting approves the expenditure. Excess funds go back to the General Fund to reduce the tax burden.

There was brief discussion as to the merits of carpeting versus other types of flooring.

Harriet Cady moved to amend Article 12 by changing the amount of Article 12 from \$46,696 to \$44,794 and strike the language "carpeting the Town Clerk/Tax Collector's Office and Selectmen's Office,". Seconded by Jack Sullivan.

Chairman Alexander spoke to the amendment. He told the meeting there was a dust issue from broken tile and carpeting was thought to be the best solution. Beyond that, if the funds were struck, it would leave no money to repair the floors.

Harriet Cady, maker of the motion, stated her concerns over potential allergy problems carpeting would create.

Phil Bilodeau made a motion to close debate and move the question. Seconded by Gary Roberge. The Moderator called for the vote to **CLOSE DEBATE** and move the question. It was a **HAND VOTE** in the **AFFIRMATIVE** and so declared.

The Moderator reread the **AMENDMENT TO ARTICLE 12** and called for the vote. The **HAND VOTE** was **UNCLEAR**.

Harriet Cady moved to have a Secret Ballot. The Moderator called for seven (7) Members of the Meeting to stand in favor of a Secret Ballot. The Moderator counted seven (7) and declared there would be a Secret Ballot on the Amendment. He designated Ballot "B" and gave instructions to the voters.

10:48AM The Moderator announced the Polls had been open for an hour and a half on Article 1 and would be closing in two (2) minutes.
The Moderator called a 15 minute recess.

10:50AM The Moderator declared the **POLLS CLOSED ON ARTICLE 1** and the counting of Ballots began immediately.

11:05AM The Moderator called the Meeting to Order.

Moderator, Jonathan Hutchinson, announced the results of the **SECRET BALLOT VOTE (A) on ARTICLE 1**.

YES 206 NO 29

The Moderator declared Article 1 is **ADOPTED** by more than a 2/3 ballot vote in the amount of \$625,000.

The Moderator read the results of the **SECRET BALLOT (B) on the AMENDMENT to Article 12**.

YES 89 NO 149

Back to the Main Motion, Article 12, as printed.

Jonathan Winslow made a motion to close debate and move the question. Seconded by Steve Barry. The Moderator called for the vote to **CLOSE DEBATE** and move the question. It was a **HAND VOTE** in the **NEGATIVE** and so declared.

The 20 year warrantee, on the roof, was discussed. There were concerns about the warrantee should the company go out of business. A resident wanted to know if there was federal funding available. Selectman Mailhot stated there wasn't. It was suggested, in the future, the Selectmen provide a Profit and Loss Statement for the Building.

Seeing no further discussion, the Moderator called for the vote on **ARTICLE 12**. It was a **HAND VOTE** in the **AFFIRMATIVE** and so declared. Article 12 is adopted in the amount of \$46,696.

Article 13. To see if the Town will vote to raise and appropriate the sum of \$1 to cover expenses over and above bond article for closure of landfill. The Selectmen and the Budget Committee recommend this article.

Chairman of the Board, James Alexander, stated there would be **NO ACTION** on **ARTICLE 13**.

Mr. Alexander told the Meeting, during budget preparation, the final bids were not in. This was a safety measure in the event the final bids came back higher than the bond. The Article is no longer needed.

Article 14. To see if the Town will vote to raise and appropriate the sum of \$5,000 for general repairs and maintenance to Pleasant Lake and Freezes Pond dam structures, and to authorize the Selectmen to withdraw the sum of \$4,371 plus all accumulated interest from Town Owned Dam Repair Capital Reserve Fund established at the Town Meeting in 1985, with the balance to be raised through taxation. The Selectmen and the Budget Committee recommend this article.

Chairman of the Board, James Alexander, moved Article 14 be adopted as printed. Seconded by Selectman, Robert Sanborn.

Mr. Alexander deferred to David O'Neal, Water Commissioner, to explain this expenditure.

Mr. O'Neal told the Meeting this money was for work to bring these dams up to State standards.

The question was asked if the Capital Reserve Fund would be depleted. Chairman Alexander said the fund would be gone. He noted, it has been the position of the Board, the Department of Revenue Administration and the auditing firm, closing these funds is appropriate.

As discussion had ended, the Moderator called for the vote on ARTICLE 14. It was a HAND VOTE in the AFFIRMATIVE and so declared. Article 14 is adopted in the amount of \$5,000.

Article 15. To see if the Town will vote to raise and appropriate the sum of \$11,518 for the purpose of town employee raises for salaries and wages. The Selectmen and the Budget Committee recommend this article. (This represents a 3% increase.)

Chairman of the Board, James Alexander, moved Article 15 be adopted as printed. Seconded by Selectman, Robert Sanborn.

There was an inquiry as to the raise given Town employees last year. Mr. Alexander stated it was 3%.

The Moderator called for the vote on ARTICLE 15. It was a HAND VOTE in the AFFIRMATIVE and so declared. Article 15 is adopted in the amount of \$11,518.

Article 16. To see if the Town will vote to raise and appropriate the sum of \$6,245 for the purpose of installing aluminum coverage of eaves, fascia, side entry door and windows at the central fire station. The Selectmen and the Budget Committee recommend this article.

Chairman of the Board, James Alexander, moved Article 16 be adopted as printed. Seconded by Selectman, Robert Sanborn.

Mr. Alexander deferred to Fire Chief, George Clark. Mr. Clark said when the building was sided originally the trim was not done. Because the Town takes care of the building, it would be to their advantage to have the building maintenance free.

There was no discussion. The Moderator called for the vote on ARTICLE 16. It was a HAND VOTE in the AFFIRMATIVE and so declared. Article 16 is adopted in the amount of \$6,245.

Article 17. To see if the Town will vote to raise and appropriate the sum of \$6,000 for consulting planning services for the purpose of revising the Town's Master Plan pursuant to the recommendations developed from the Civic Profile Program. The Selectmen and the Budget Committee recommend this article.

Chairman of the Board, James Alexander, moved Article 17 be adopted as printed. Seconded by Selectman, Robert Sanborn.

Mr. Alexander deferred to Fred McGarry, Chairman of the Planning Board. Mr. McGarry told the Meeting Article 17 last year appropriated this money, however, it could not be used for this purpose because of the wording of the article.

This article would allow the Planning Board to spend the money appropriated last year.

Mr. McGarry deferred to Kate Hartnett, Planning Board Member, for more information. Ms. Hartnett stated, not only would this develop a Master Plan, but it would move toward the vision of the future of Deerfield created by those participating in the Civic Profile Program.

A citizen expressed concern over the amount of money spent on consulting and not seeing changes in the community.

Ms. Hartnett thanked all the volunteers. Because of their efforts, the Town had saved money.

Seeing no further discussion, the Moderator called for the vote on **ARTICLE 17**. It was a **HAND VOTE** in the **AFFIRMATIVE** and so declared. Article 17 is adopted in the amount of \$6,000.

Article 18. To see if the Town will vote to raise and appropriate the sum of \$14,000 for consulting planning services for the purposes of revising the Town's zoning, subdivision, and site plan review regulations, pursuant to the recommendations developed from the Civic Profile Program and proposed revisions to the Master Plan. The Selectmen and the Budget Committee recommend this article.

Chairman of the Board, James Alexander, moved Article 18 be adopted as printed. Seconded by Selectman, Robert Sanborn.

Mr. Alexander deferred to Kate Hartnett, Planning Board Member. Ms. Hartnett said the Planning Board, and the consulting firm, will review the regulations. It is their intention to implement the vision in the Vision Committee Report. The proposals will then meet the needs of Town of Deerfield. Ordinances currently in place date back to 1960.

Town Counsel, David Connell, was asked to explain adoption of these regulations. He stated Zoning would come before the voters; Subdivision, Master Plan and Site Plan Review were done by the Planning Board.

After brief discussion, the Moderator called for the vote on **ARTICLE 18**. It was a **HAND VOTE** in the **AFFIRMATIVE** and so declared. Article 18 is adopted in the amount of \$14,000.

Article 19. To see if the Town of Deerfield will vote raise and appropriate the sum of \$7,200 (Seventy-two hundred) dollars to purchase a software update, computer, data base, and two laptop computers to be utilized by the Deerfield Police Department and to accept a grant from the U. S. Department of Justice COPS More program in the amount of

\$5,400 (partial offset) with the balance to be raised through taxation. The Selectmen and the Budget Committee recommend this article.

Chairman of the Board, James Alexander, moved Article 19 be adopted as printed. Seconded by Selectmen, Robert Sanborn.

Mr. Alexander deferred to Detective, Steve Turner. Detective Turner requested these funds for the Police Department because it would allow officers to stay more visible on the streets and still do paperwork. These computers will be compatible with the new programs coming out in the next five years.

Discussion ended and the Moderator called for the vote on **ARTICLE 19**. It was a **HAND VOTE** in the **AFFIRMATIVE** and so declared. Article 19 is adopted in the amount of \$7,200.

Chairman of the Board, James Alexander, requested a moment to publicly thank Officer Turner for the hours spent seeking and preparing grants. There was a round of applause.

The Moderator called a recess at 11:47AM.
The Moderator called the Meeting to Order at 12:17PM.

Article 20. To raise such sums of money as may be necessary to defray Town Charges for the ensuing year and make appropriations of the same.

Rebecca Crosby Hutchinson, Chairperson of the Municipal Budget Committee, had joined the Selectmen on the Platform.

Ms. Hutchinson moved Article 20 in the sum of \$2,708,722. Seconded by Kevin Barry, Municipal Budget Committee Member.

Ms. Hutchinson told the Meeting, during the budget process, changes were recommended to the Selectmen and often accepted. There was good communication. Therefore, the Budget before the Meeting has only minor differences between the MBC Budget and the Selectmen's Budget. These differences will be pointed out.

The Moderator stated we would proceed through the budget Section by Section.

GENERAL GOVERNMENT

4130 Executive

Under this Line Item Joanne Wasson asked to be recognized to address the Meeting. She asked more details of these budgets be made available. Also, Ms. Wasson was concerned with the hours of operation of the Selectmen's Office and noted the expenses for the office were still rising.

Harriet Cady did not feel she was getting her monies worth from the Town Offices.

4152 Revaluation of Property

The Moderator recognized Ms. Hutchinson to explain the difference in amounts. She stated the Selectmen did not have quotes for digitizing Tax Maps when budgets were prepared.

Chairman of the Board, James Alexander, moved to amend Line Item 4152 to increase it from \$6,000 to \$12,000. Seconded by Selectman, Robert Sanborn.

Mr. Alexander deferred to Chairman of the Planning Board, Fred McGarry. Mr. McGarry informed the Meeting the quotes were in, thus, the increase. The present Tax Maps were done in the 70's. The maps would be digitized and placed on disks. Sections of the maps, that have errors, could not be completely corrected.

Chairman of the Conservation Commission, Frank Mitchell, answered questions about work UNH had done on resource maps. The Tax Maps could not be digitized, at that time, because they did not meet set standards.

Chairman Alexander fielded questions on spending money when it looked like this may have to be redone. Mr. Alexander said the Board had asked questions of the Southern NH Planning Commission on the errors and spending money twice. They were told digitizing, with the errors included, was the way to proceed. The Wetlands Maps and Tax Maps, in the office presently, are not compatible. This is another reason to begin this project.

Seeing no further discussion, the Moderator called for the vote on the AMENDMENT to INCREASE LINE 4152 by adding \$6,000. It was a HAND VOTE in the AFFIRMATIVE and so declared. LINE 4152 IS NOW \$12,000.

Point of Order

Kate Hartnett asked the Moderator, since there was no place in the format of the Town Meeting to give reports, if the Civic Profile Committee could report now. The Moderator said it would fall under Article 25.

4155 Personnel Administration

On an inquiry, Selectman Mailhot explained this was for Federal Taxes--the Towns share and employees contribution.

Chairman Alexander said the process had begun to create a budget with greater detail.

PUBLIC SAFETY

4210 Police

Erick Berglund, Member of the Municipal Budget Committee asked the Selectmen to describe the changes in the Police Department this year. Chairman Alexander stated, the Town qualified for a program to be reimbursed by Federal money for putting a full time officer on the rolls.

Lt. Wunderlich went to full time because Chief D'Alessandro would retire soon. Lt. Wunderlich could then prepare to step into the Chief's position. A recommendation, as to whether to keep the full time position, will come from the new chief and the Board of Selectmen. Standard budgeting practices will be followed.

When the question was asked if the grant would allow the Town to drop the fifth person, Ms. Hutchinson stated the question was asked at the MBC Meetings. It was understood they did not have to keep five full time, as long as, the change was explained.

HIGHWAYS AND STREETS

4312 Highways and Streets

The difference between last year and this years' budget was deferred to Representative Joe Stone. Mr. Stone went over plans for the coming year for road reconstruction. Reconstruction is scheduled for Range Road, Pleasant Hill Road and South Road.

SANITATION

4324 Solid Waste Disposal

Rebecca Hutchinson, Chairperson of the MBC, said it was difficult to predict this. The MBC had gone on what was done to date.

Chairman of the Board, James Alexander, moved to amend Line 4324 to add \$10,000 making the total \$97,050. Seconded by Selectman, Robert Sanborn.

Mr. Alexander told the Meeting the Board wanted the first year behind them before decreasing the line item.

Debate began over the merits of voluntary versus mandatory recycling.

Wadsworth Winslow of the Solid Waste Committee reminded the citizens of Deerfield recycling is an opportunity to save money. He stated it costs money when we do not voluntarily recycle materials.

Chairman Alexander explained the costs and went on to say the Board does not advocate mandatory recycling. The difference in funding from last year to this year is due to not needing to cover the Landfill.

Discussion ended and the Moderator called for the vote on the amendment to increase Line 4324 by \$10,000. It is a **HAND VOTE** in the **NEGATIVE** and the **AMENDMENT** is **NOT ADOPTED**. **LINE 4324 REMAINS \$87,050.**

Selectman, Richard Mailhot, placed an **ADVISORY MOTION** on the Floor; **"To see if the Meeting would direct the Board of Selectmen to investigate and implement a mandatory recycling program."** Seconded by Selectman, Robert Sanborn.

Areas visited during discussion were the cost to the taxpayer, how to set up mandatory recycling, would our roadsides become cluttered with trash and costs for additional attendants at the Transfer Station. It was unclear, to many, whether the Board would implement mandatory recycling without coming back to Town Meeting.

Chris Hatfield moved to **AMEND** the advisory motion to **STRIKE** the words **"and implement"**. Seconded by Selectman, Richard Mailhot.

The Moderator called for the Vote on the **AMENDMENT** to the **ADVISORY MOTION**. It was a **HAND VOTE** in the **AFFIRMATIVE** and so declared.

Back to the Advisory Motion as amended.

Environmental and financial issues were debated. The Meeting was updated on recycling efforts so far.

The Moderator reread the **ADVISORY MOTION AS AMENDED** and called for the vote. It was a **HAND VOTE** in the **AFFIRMATIVE** and the **ADVISORY MOTION** has been **ACHIEVED**.

Point of Clarification

Selectman, Richard Mailhot, explained the difference in the Warrant Article Line on Page 9. He told the Meeting \$375,000 of that figure is a short term bond, principal payment, authorized by a previous Town Meeting. The balance of the one million dollar bond is the \$625,000 appropriated in Article 1.

There was no further discussion on Article 20.

The Moderator called for the question-**ARTICLE 20**, the **BUDGET ARTICLE**, as amended, in the amount of \$2,714,722. It was a **HAND VOTE** in the **AFFIRMATIVE** and so declared. Article 20 is adopted in the amount of \$2,714,722.

Article 21. To see if the Town will vote to prohibit the processing, storage and land spreading of wastewater treatment and other sludge, including but not limited to sewage, paper and pulp mill sludge, whether it be wet, dry, composted, pelletized, mixed with other materials or injected on or into the land in the Town of Deerfield until regulations are enacted by the Select Board or Planning Board, with public involvement, to control such activity. By Petition.

Frank Mitchell, Petitioner, moved Article 21 as printed. Seconded by Al Jaeger.

Mr. Mitchell stated, for clarity, this article was neither written, supported or not supported, by the Deerfield Conservation Commission.

Frank Mitchell introduced a SUBSTITUTE MOTION: "To see if the Town will vote to urge the Select Board and Health Officer to prohibit the land spreading of wastewater treatment and other sludge for one year or until a decision is made whether to enact local regulations and/or recommend changes in State regulations, and to appoint a committee to study this issue, with public involvement, and make recommendations to the Select Board. This article shall not apply to sludge presently stored in Town in anticipation of spreading." Seconded by Kate Hartnett.

Moderator, Jonathan Hutchinson, noted the original article was not a legal article. This substitution allows for this topic to be presented.

Town Counsel, David Connell, stated the Article is advisory and appropriate for a Sense of the Meeting.

Frank Mitchell said this issue was brought before the Town because of concerns in this community and across the State. He wanted consideration given to the issue at local level, as well as, State and Federal levels.

The Moderator called for the vote to adopt the SUBSTITUTE ARTICLE, which is strictly advisory. It was a HAND VOTE in the AFFIRMATIVE and so declared. THE SUBSTITUTE MOTION WILL NOW BE CONSIDERED.

Jack Sherburne moved to AMEND the SUBSTITUTE MOTION to add: "Sludge that has been permitted by the State of New Hampshire would be exempt from the provisions of this resolution." Seconded by George Keech.

Mr. Sherburne spoke of several people in the Town using sludge. The Department of Environmental Services had

monitored it, did not find a problem and are now issuing
 if the standards are in place, it should be alright.

Residents thought this matter should be looked into but also

Mr. Mitchell addressed the question of metal contaminates. He said Federal regulations govern metals and other toxins in sludge. Because of the natural levels of metals in our native soil, it was felt more stringent regulations were needed.

Residents thought this matter should be looked into but also realized the soil needed to be renewed. Materials used in the past were no longer available. It was suggested, if sludge did not come from an industrial area, it might not contain as many metal contaminates.

There was lengthy discussion. Questions were raised as to qualifications needed to make these decisions. It was noted the open fields were one of Deerfields' attributes. Comparisons were made of the odor sludge produces to that of other materials.

Joe Sears, Co-Chairman of the Conservation Commission, said when the topic came before the Commission, they did not feel qualified to address it. The input they receive from this Meeting would aid in their decision making.

Rod Swanson made a motion to close debate and move the question. Seconded by Warren Guinan. The Moderator called for the vote to **CLOSE DEBATE** and move the question. It was a **HAND VOTE** in the **AFFIRMATIVE** and so declared.

The Moderator called for the vote on the **AMENDMENT** to the **SUBSTITUTE MOTION** to add "Sludge that has been permitted by the State of New Hampshire would be exempt from the provisions of this resolution." It was a **HAND VOTE** in the **AFFIRMATIVE** and so declared. **THE SUBSTITUTE MOTION IS AMENDED.**

Back to the Main Article as Substituted and Amended.

There was no discussion. Moderator Hutchinson reread the Substitute Article, as Amended, and stated this was advisory only. The Moderator called for the vote on the **SUBSTITUTE ARTICLE AS AMENDED**. It was a **HAND VOTE** in the **AFFIRMATIVE** and so declared.

Article 22. To see if the Town will accept sums of monies, from the following persons for the purposes stated:
 Four hundred dollars from Daniel Cote, for cemetery lots and care of Cote lots in Morrison Cemetery.
 Four hundred dollars from Madeline McDonald, for cemetery lots and care of McDonald lots in Morrison Cemetery.

Chairman of the Board, James Alexander, moved Article 22 be adopted as written. Seconded by Selectman, Robert Sanborn.

Mr. Alexander stated this is a housekeeping article.

The Moderator called for the vote on **ARTICLE 22**. It was a **HAND VOTE** in the **AFFIRMATIVE** and so declared. Article 22 is **ADOPTED AS PRINTED**.

Article 23. We the undersigned, as Registered Voters and Taxpayers, do petition the Town of Deerfield, and RSA 231:157 to designate Gulf Road a scenic road. By Petition.

Petitioner, Brenda Wilson, moved Article 23 be adopted. Seconded by Selectman, Robert Sanborn.

Ms. Wilson said it is an opportunity to protect one of the finest assets of the Town.

There were many concerns raised about maintaining the road to a standard that would allow vehicles to pass safely. Addressing this was Town Counsel, David Connell. Attorney Connell stated there were certain limitations. The Planning Board's permission and a public hearing were needed before cutting trees and removing stonewalls. He went on to say, if something was designated a nuisance or there was an emergency, the Highway Agent did not have to go to the Planning Board. Fred McGarry, Chairman of the Planning Board, added to this by saying, the Planning Board physically goes out to review the road when these requests are made.

The condition of the road was the topic of lengthy discussion. Residents stated maintenance was needed and there was mention of the Town being liable if repairs were not made. This was responded to with the statement "Scenic Road" was a designation. Road repairs could still take place.

Gary Roberge made a motion to close debate and move the question. Seconded by Harriet Cady. The Moderator called for the vote to **CLOSE DEBATE** and move the question. It was a **HAND VOTE** in the **AFFIRMATIVE** and so declared.

The Moderator called for the vote on **ARTICLE 23** as written. It was a **HAND VOTE** in the **AFFIRMATIVE** and so declared. **GULF ROAD IS CLASSIFIED AS A SCENIC ROAD.**

Point of Order

Harriet Cady requested a list of these Scenic Roads be printed in the Town Report.

Article 24. To see if the Town will vote to authorize the Trustees of the Philbrick-James Library to use the first

floor meeting room for any library related purpose that they deem appropriate.

Norman Merrill moved Article 24 be adopted as printed.
Seconded by Warren Guinan.

Mr. Merrill, Chairman of the Trustees of the Philbrick-James Library, explained the building was accepted by the Town in 1911 with the provision the Womens' Relief Corp could use the first floor meeting room. The Town and Library have grown. To make it legal for the Library to use the room, for something other than a Meeting room, this needed to be passed.

Joanne Wasson of the Historical Society said the building was given by the Womens' Relief Corp as a Soldiers Memorial. It was to house a Library and a Meeting Room. This would rescind a vote taken in 1911 to accept the building as proposed. Historically, Ms. Wasson thought the origin of the room should be maintained. Many citizens concurred with this.

Mary Winslow made a motion to close debate and move the question. Seconded by Steve Barry. The Moderator called for the vote to **CLOSE DEBATE** and move the question. It was a **HAND VOTE** in the **AFFIRMATIVE** and so declared.

The Moderator called for the vote on **ARTICLE 24** as written. The **HAND VOTE** was **UNCLEAR**. The Moderator asked for the **HAND VOTE** to be **COUNTED**. The results of the counted Hand Vote:

YES 79 NO 77

Because of the close vote, the Moderator called for a Secret Ballot.

Point of Clarification

Richard Granger asked for the question to be clarified. The Moderator clearly indicated what the yes vote would mean and what the no vote would mean.

The Moderator called for the Secret Ballot. He designated Ballot "C" as the Ballot to be used for this Vote. Ballot Boxes were shown to be empty. Balloting Began.

While ballots were being counted, Moderator Hutchinson asked for the reports of the Civic Profile Committee. Kate Hartnett introduced each of the Sub-Committees present.

Karen Mailhot - Communications

This Committee worked on getting information to newcomers and helping them to get involved in the community. They will be working on informational packets, having local businesses introduce themselves through coupons, visiting with new residents and working on a video about Deerfield.

Mary Winslow - Dynamic Communications

This Committee works through the Independent and The Communicator. They are looking to set up telephone trees for times when information needs to be gotten out quickly.

Ruth Kletnick - Citizen Participation Group

This Committee is helping to establish the volunteer needs of the community. Committees and organizations needing volunteers are urged to pass their needs on to this

Committee. Next year this committee is hoping to provide a training session prior to Town Meeting to help people understand the process.

Joe Dubiansky - Vision Committee

This Committee produced the report with the results of the survey. A diverse group of individuals made up the survey and the report is the end product of that survey.

Ms. Hartnett stated the Economic Development and Central Organization Committees were not present. Kate Hartnett asked for a round of applause for these Committees. A round of applause was given.

The Moderator announced the results of the **BALLOT VOTE** on **ARTICLE 24.**

YES 79 NO 85

The vote is in the **NEGATIVE** and **ARTICLE 24** is **DEFEATED** and so declared.

Article 25. To transact any other business that may legally come before this meeting.

On a **MOTION TO ADJOURN** by George Keech, seconded by Kevin Barry, the Moderator called for the vote. It was a **VOICE VOTE** in the **AFFIRMATIVE** and so declared. The Town Meeting--Business Portion is **ADJOURNED** at 3:00PM.

STOP SIGN ORDINANCES

In researching the Town Clerk's records regarding stop sign ordinances, with the exception of page 153 found in volume #14 which installed stop signs at the intersection of Mt. Delight and Old Center Roads, there are no ordinances covering the rest of the stop signs installed on Town roads. This was researched back to the year 1888.

I personally drove the roads of the Town and found the following stop signs which are located at the following road intersections:

- Ridge - Candia
- Haynes - Ridge
- Range - Middle
- South - Maple
- Maple - Oak
- South - Oak
- South - Birch
- Meetinghill House - Old Center
- Mt. Delight - Haynes
- Swamp - Mt. Delight
- Brown - Landfill entrance
- Inside Landfill
- Mountain - Nottingham
- Harvey - Nottingham
- Cate - Nottingham

With the exception noted in the first paragraph none of the above appear in any Town Ordinances.

The following have yield signs:

- South - Middle
- Candia - Old Center
- Old Center - Candia

INSTRUCTIONS: Indicate the number of votes received by each candidate next to their name.

Record all write-ins on separate return.

INSTRUCTIONS TO VOTERS

1. To vote, make a cross (X) in the square opposite your choice, like this [X]

2. To Vote a Straight Ticket
 Make a cross (X) in the square opposite the political party of your choice if you wish to vote for all candidates running in that party. If you vote a straight ticket, but wish to vote for one or more individual candidates, you may do so, and your vote for an individual candidate will override the straight party vote for that office. However, if you vote for one candidate for an office where more than one candidate is to be elected, be sure to vote individually for all candidates of your choice for that office, because your straight ticket vote will not be counted for that office.

3. To Vote a Split Ticket
 If you do not wish to vote for all candidates running in the same party, make a cross (X) in the square opposite the names of the candidates for whom you wish to vote.

4. To Vote by Write-in
